

COST IC1004 Training School 2012

Venue

Venue is the building Feynmanbau, also called ZMN, on the campus of the Ilmenau University of Technology, no.3 in the figure.

Public transport to Ilmenau

Ilmenau can be reached by train from Erfurt main railway station with the EIB line EB3, see time table of [Erfurter Bahn](#). A complication is that due to construction works on the line, the last section to Ilmenau, and vice versa, is by bus until the end of the year. This means that one has to change either at Marlshausen or at Plaue. Taking the bus from Erfurt to Ilmenau, or the other way round, is complicated.

From the Ilmenau bus station “Busbahnhof” at the railway station, city buses run into town and to the university campus. The campus can be reached by bus A or C, see [IOV Timetable chart](#).

Erfurt has an airport, but with only a very small number of international connections. The closest international airports are those of Leipzig, Dresden, and especially Frankfurt that all have good train connections with Erfurt, see [Deutsche Bahn timetables](#).

Taking the car to Ilmenau

Ilmenau can be reached over highway A71, taking exit no. 15 „Ilmenau Ost“. The route to the university is marked by „Uni“ on the road signs, initially direction Ilmenau. Entrance to the campus is at the library (building no. 16) or by the Einsteinstrasse. Please note that the Ehrenbergweg is closed for motorised vehicles. The parking site on the top of the hill closest to the venue is valet parking.

Accommodation

For the Training School a block booking in Hotel Tanne has been reserved, from Sunday 11 November until Thursday 15 November 2012. The price is 62 Euros per night, incl. breakfast. Please mention “Cost Training School” when reserving a room.

Other hotel accommodation is available but note that hotels in the outer quarters (Ortsteile) of Ilmenau are not easily reached by public transport. Only Unterpörlitz is connected by city line A that has its last departure from university at 21h15. The lines to the other “Ortsteile” quit much earlier and/or do not run in the weekends.
